Dear Ride Volunteers,

The United Perform Arts Fund would like to invite you to join us this year to help with our largest annual fundraising event! We could not host this Ride without the dedication of our community volunteers.

**Why we Ride:** Your participation in the Ride for the Arts allows local artists and performing arts organizations to positively impact our community so they can continue to lift us out of the pandemic back to a strong, vibrant region. Over this past year, we have needed the arts more than ever, and these talented professionals have been there for us. Now, they need us to continue to support them like they have supported us. Our local artists and performing arts organizations are here to lift us up, no matter the challenges. The generosity of individuals like you allows our region's world-class performing arts organizations to remain stable so local artists can thrive and continue doing what they do best — entertaining, educating, and inspiring.

**New in 2021;** The UPAF Ride for the Arts Series is a new innovative concept that provides a fun, purpose-driven event for cyclists of all ages and abilities.
