

# KISS ME, KATE DELIVERED POLISHED

**Play Your Part. Support Our Artists.**

While many local performing arts groups are inspiring audiences with virtual and safe in-person experiences, your continuing support is critical in ensuring our region's world-class artists return to the stage stronger than ever before.

Until it's time for all of us to head back to the theater, visit [UPAF.org](https://UPAF.org) to watch, learn, connect, get inspired and, most importantly, donate.
