Support me support UPAF in the Ride for the Arts!

On June 2, 2019, I will be riding in the UPAF Ride for the Arts, sponsored by Miller Lite. I believe that strong performing arts are central to the vitality of our region. United Performing Arts Fund (UPAF) is a non-profit fundraising organization that raises and distributes the dollars they raise here within our community. UPAF supports more than 14 premier performing arts groups in Southeastern Wisconsin including, First Stage, Florentine Opera Company, Milwaukee Ballet, The Rep, Milwaukee Symphony Orchestra and Skylight Music Theatre.

Thank you for considering a pledge to support the Ride!
